PROJECT DESCRIPTION

The main assumption of the project is to promote cultural and ethnic diversity of the Szczuczyn regions in Poland, Szczuczyn in Belarus and Kovel in Ukraine. As a result, three cross-border centers for dialogue of cultures have been creating to deal with the organization of events promoting a common border culture.

The main objective of the project have achieved in consequence of:

- 1.Preparation of adequate infrastructure:
In each case is located a place where a roofed concert stage, audience, tent square, new technical infrastructure and cubature buildings has been creating, buildings with cloakroom and sanitary facilities, car parks. The facilities is equipped with sound equipment, lighting, monitoring. The whole is adapted to the needs of people with disabilities.
- 2.Increasing the attractiveness of the region for the tourism and amplification cultural service offers.
- 3.Increasing the public's knowledge of the cultural heritage of the partner countries and promoting Polish, Belarus, Ukraine tourism products and their services.

The accomplishment of the project is the basis for further cross-border cooperation. The partners are seeing many opportunities for social, cultural and economic activities. Also has been developed a strategy for the tourism border area of Poland, Belarus and Ukraine.

According to the assumptions of the project, each of the three partner cities have built an infrastructure facility for their outdoor events, widely promoting the culture of the borderland.
